

Underhood 6th Gen 4-Piece Badge Plates & Trim

Installation Instructions

Congratulations! On your purchase of the 6th gen 4-piece badge plates and trim we, know that you will enjoy having this great product in your Camaro.

Time needed for this job is about 30 mins, you will not need silicone and painter tape with you at the car. If it takes you longer do not worry. Take your time, and work at a comfortable pace. Please completely read these instructions prior to beginning. It will only take you a few minutes to read. Do not skip any of the steps.

Step One: Make sure that the engine is off and cool.

Step Two: Clean factory hood liner pad as best as possible to ensure that there is no dirt or oil.

Step Three: Take each plate and place face down on a clean smooth surface to prevent any scratches to the powder coat (shown in Figure 1)

Step Four: Clean and dry all of the underside plates surfaces very well especially where will come in contact with the hood liner, we recommend using rubbing alcohol or some other type of similar cleaner.

Step Five: Apply silicone, not provided (shown in Figure 2)

Step Six: Once silicone is applied to the plates, can now be mounted to hood liner one plate at a time (shown in Figure 3)

Step Seven: Apply a good amount of pressure to each plate to assure good adhesion from the silicone for about 1 min.

Step Eight: Take pieces of the painters tape to hold each plates in place while silicone dries.

Step Nine: Look to see where your plates comes in contact in your engine bay you want to roll up a towel so, that the plates rest against the towel and engine cover but, don't close the hood.

Step Ten: Once plates are taped to hood liner please allow over night for silicone to dry completely before removing tape.

Step Eleven: To install the badge trim follow steps 1 through 10 which would be the same process as the badges.

Step Eleven: Apply a small amount of silicone to the chrome trim piece on the back side. But make sure that you don't add too much so it does not leak through where is said CAMARO when you apply it to your hood liner.

Step Twelve: Congratulations! You are finish. Enjoy New 6th Gen 4-Piece Badge Plates and Trim.

Cleaning Instructions

To maintain the appearance, be sure to only use a polish suitable for mirrored stainless steel and only apply polish with a 100% microfiber cloth or shammy. Remember, mirrored stainless steel scratches easily. So be sure to be careful when cleaning it.

Note: There may be some lines on the underside from handling and, making it which you will not see once you install it in your Camaro. This product will come with protecting vinyl just simply pull off the protective vinyl to expose the beautiful mirrored finish. There may be some residue from where the laser cut through the vinyl which you can remove with 100% alcohol and a cotton pad.
